Virtual Hiring Event for Women

September 21 - 25, 2020

You applied successfully.

The Event

VanHack is hosting our first **Virtual Hiring Event for Women the week of September 21st**. If you are a woman developer and are looking for a job abroad you should apply.

We are looking for candidates with:

- **4+ years of professional experience**
- **Verified English**
- Nice to have: **Good results in the coding challenge**

*****Don't worry you still have until mid of August to complete your profile.**

Here are some of the top skills companies are looking for right now:

- **RoR**
- **JavaScript**
- **Python**
- **DevOps**
- **Java**
- **React**
- **Angular**
- **.NET**
- **PHP**
- **C#**

What to expect once you've applied:

- You have until August 31st to complete your VanHack profile
- We will start the selection process the week of August 24th
- The selection process will take roughly a month
- If you receive a rejection it's not because you haven't a good profile - we will be picking candidates based on what the companies ask for.
- Being selected doesn't guarantee an interview
- We will forward selected profiles to the participating companies
- When a company shows interest in your profile we will reach out to you directly
- Get prepared through VanHack with access to classes twice a week
- Be ready to start remotely before relocating to Canada or Europe
- Be open to different cities in Canada and Europe (let us know if you have questions)

Logistics:

- If a company selects your profile we will inform you immediately and will schedule the interview during that time frame
- If we haven't contacted you by September 17th, your profile was unfortunately not picked by any company
